the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1.2 million (Office of National Statistics 1999). The number of people aged 85 and over has increased by 0.5 million.

There is a growing awareness of the need to address the needs of older people in the community. The Department of Health (1999) has published a strategy for older people, which sets out the government's commitment to improve the health and social care of older people.

The strategy is based on the following principles: (1) older people should be able to live independently in their own homes; (2) older people should be able to access the services they need; (3) older people should be able to participate in the decisions that affect their lives; and (4) older people should be able to live in a safe and secure environment.

The strategy also sets out a number of specific objectives, including: (1) to reduce the number of older people who are in care homes; (2) to improve the quality of care in care homes; (3) to improve the health and social care of older people in the community; and (4) to improve the lives of older people in the community.

The strategy is a key document for the development of services for older people in the UK. It provides a framework for the development of services and sets out the government's commitment to improve the health and social care of older people.

Producers

These are the producers of our quality students. We use the term producers because it is through them that a show is organized into a spectacular array of splendor. Without their co-operation, we would not have been able to present our fabulous cinema of education and social growth.

Executive Directors

To the Executive Directors who are in charge of the religious, athletic, and financial departments we owe a special debt of gratitude. During these important years of study and preparation for our debut of the live stage, they have seen to it that we have had the proper facilities, they have taught us the importance of team work and have coached us so that we know which play would be best.

Our special "thank you" goes to Father Zimmerman who, during the past year, has been acting principal in the absence of Father Seimetz. Under his approving eye, the spirit of the School has been kept on a high level, important to all the members of the cast and his assistant directors and the producers.

Without this guidance the show could not go on.

Assistant Directors

The largest group of workers on this stage are the assistant directors — all the priests, sisters, and lay faculty. They are the ones directly in charge of the cast, molding them into stars after a few years, preparing them for their greatest parts in life yet to come. They are the ones who direct the scenes, make the necessary changes in the script, and help to bring out the best in all the players. They teach not only the fundamental rules, but they add the finer points, they give the most sincere advice, they demonstrate the best routines — only that which they believe is best for the show.

Choreographers

With the sound of the 8:20 bell, our staff of choreographers start their busy day. The pattern is first set by the secretaries who carry out the many wishes of the faculty and assist the entire student body. With the help of the bookstore, many pens, folders, rulers and notebooks are sold to meet the needs of those eager students desiring to reach class before the bell. The nourishment of the cast of students is well taken care of by our able cafeteria staff who plan our well-balanced meals from the peeling of potatoes to the icing of cake. The qualities of eagerness and cheerfulness on the part of our choreographers have helped set the pattern of a typical school day.

Seniors

During the past school year, Bishop Noll High School has come up with a new spectacular. This great show includes 317 of the newest stars in the spiritual, academic, athletic, and social fields of endeavor. We are confident that these students will continue to rise to even greater heights in the future.

Student Council President

Chosen by the entire student body as president of the Student Council, James Carroll has proved he is worthy of this honor. Besides being "scholastically inclined," James is also one of Noll's outstanding athletes. He is a member of the National Honor Society and the Monogram Club.

James plans to attend Annapolis Military Academy where he will major in engineering.

Salutatorian

On his trip toward the future, David Pelka has obtained the honor of Class Salutatorian for 1961. David is a member of St. Mary of the Lake parish in Gary. Among his many achievements, he has earned the honor to be chosen as the 1961 winner of the Bausch-Lomb award in science. David has also been active in many of our school clubs.

He will continue his formal education in California, where he plans to major in chemical engineering.

Senior Class President

Joseph Golarz, elected as senior class president of 1960-1961 school term, is a member of Our Lady of Perpetual Help parish in Hessville. Among his many activities here at Noll, Joseph has been co-captain of the football varsity team and a member of the basketball and baseball teams.

Joseph is a senior well-liked by the entire student body. His leadership on the football field and in the classroom has made his school and his classmates proud of his outstanding achievements.

Valedictorian

Nancy Bis, a member of St. John Cantius parish in Indiana Harbor, has earned the title of Valedictorian of the Class of 1961. Besides her scholastic achievements, she has participated in the activities of many of our clubs; among them are the National Honor Society, the French Club, and the Marquette.

Nancy will continue her education at St. Mary-of-the-Woods College in Terre Haute, Indiana, where she will major in foreign languages for future work in our government. We are confident that Nancy, as she passes through the doors of the future, will continue in the fine work characteristic of her.

ACTIVITIES

Queen and Court

Standing: Donna Anderson, Peggy West. Sitting: Valerie Randolph, and the queen, Sharon Zellers.

Homecoming

1960

Homecoming, 1960, started with an array of floats. All were in the spirit of homecoming for the bonfire and pep session. The class of '61' did a fine job with its "Edward R. Pearl" skit. The game prepared us for the dance "Homecoming Heaven". Joe Golarz and Sharon Zellers were the "King and Queen of Heaven". All the activities were led by Bruce Companik and Sue Schneider.

Le Moulin Rouge

"Le Moulin Rouge," par le club de français était un des plus grands events sociaux cette année.

Semi-Formal Turnabout

Retreat

The 1960 Retreat brought us all more graces and helps for the coming year. It lasted for two years days and included Mass and Communion, conferences, spiritual reading, private thought, Confession, and closed with Benediction.

Father Birch O.S.M., and Father Fitzgerald O.S.M., both Servite Fathers, gave spiritual lectures which helped each and every student to understand and improve themselves in the days to come.

College or Commercial Work

To help our students get a better idea of what different colleges and careers have to offer, the school has dedicated two special days for that purpose. During the first day representatives from local and nation-wide agencies spoke to us of the opportunities in their fields. The following Sunday brought speakers from a variety of worthwhile universities. These guests explained their particular programs, student advantages, and scholastic standings.

Through the effort of Father Vrably and the Vocational Department the students are more informed and have been able to form positive opinions of their own future.

N. H. S. Fashion and Talent Shows

Our winners

This year the National Honor Society sponsored two successful events. They were the Fashion Show and the Talent Show.

The first, a style show in which the fifty entries paraded and displayed their own workmanship. The winners were: Vickie Kocz-wara, grand winner, Carole Bochnowski, Jean Schreiner, Sandy Kudnowski, Peggy West, and Kathy Kristel. The Co-Chairmen of the event were: Barbara Kurien and Dale Krane.

Later in March, the Society presented "Show-boat". Each class produced its own "stars" and "celebrities".

The Co-Chairmen of the occasion were Jim Carroll and Jim Mullen. The daily M.C.'s were: Jim Carroll, Sharon Zellers, Dean Mantel, and Jim Mullen. All the arrangements were due to the effort of Sister Raphaelita, the club sponsor.

Field Day

We Campaign

Christian Leadership Day

We Honor Our Mother

On a sunny day in May the students of Bishop Noll paid honor to our Blessed Mother at the May Crowning.

Members of the C.S.M.C. comprised the court and its president, Kathy Marren, crowned Our Lady, Queen.

Each student participated actively and Father Seimetz offered the Benediction.

Prom Night

We were all there.

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1.2 million (Office of National Statistics 1999). The number of people aged 65 and over is projected to increase to 7.5 million by 2011, and the number of people aged 75 and over to 5.5 million (Office of National Statistics 1999).

There is a growing awareness of the need to develop services to meet the needs of older people, and the need to ensure that services are accessible to older people. The Department of Health (1999) has published a strategy for older people, which sets out the government's commitment to older people and the need to develop services to meet their needs. The strategy also sets out the need to ensure that services are accessible to older people.
